Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Saturday 09 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy and wet.

Today:
Cloudy with rain, sleet and hill snow pushing southeastwards through the day. Skies clearing from the north by late afternoon and strong winds easing as the rain clears. Maximum temperature 3 deg C (37 deg F).

Tonight:
Mostly dry through this evening, aside from the odd wintry shower in the north, but further rain, sleet and snow pushing in from the west during the early hours. Minimum temperature -3 deg C (27 deg F).

Sunday:
Rain, sleet and snow continuing to feed in from the west throughout the day but increasingly falling as rain. Feeling less cold than of late. Maximum temperature 5 deg C (41 deg F).

Outlook for Monday to Wednesday:
Rain pushing southwards on Monday, mostly clearing into the evening. Remaining dry through Tuesday, with rain, sleet and snow pushing in from the southwest later on Wednesday.
